

SCK HIGH SCHOOL RENOVATION PROJECT

Help Us Build Better
Facilities for Our
Seminarians!

Timeline:
June – Sept 2025

THE NEED

Our school facilities are facing critical infrastructure challenges that need your immediate support:

- **Leaking pipes** throughout the building causing water damage
- **Broken toilets** in urgent need of replacement
- **Outdated ventilation system** requiring complete upgrade
- **Inconvenient shower location** forcing students to walk through the main lobby

OUR SOLUTION

With your generous contributions, we plan to:

- Replace all damaged plumbing infrastructure
- Install new, modern bathroom fixtures
- Upgrade the ventilation system for better air quality
- Relocate showers to the second floor for improved privacy and convenience

YOUR CONTRIBUTION MATTERS

COST: \$700,000

Every donation, regardless of size, helps us create a healthier, more comfortable environment for our students. Our goal is to complete these essential renovations before the next academic year.
